

2010 WEST BOUNTIFUL CITY PARADE

Thank you for your participation in the 2010 West Bountiful City Parade. Below please find the parade line-up and your staging location. A staging map has also been attached for your reference.

Please note the following:

- The parade starts this Saturday 7/03/10 at 10:30am. Please begin arriving in your staging location at 9:00am, and ready for movement/adjustments no later than 9:45am.
- Please inform your entire group of the staging location and arrival directions (carpooling as much as possible, minimizing quantity of cars in the area). This will help to minimize the traffic prior to the beginning of the parade. There will be limited parking available at the city offices, elementary school and the chapel located just south of 400 north on 800 west. It is suggested that you park outside of the staging areas and walk to your staging location. If needed, please plan for your own transportation back to the starting location after the parade.
- Volunteers will be on-site to help direct you to your staging location.
- Please bring your own bottled water as there will not be water or any other facilities available at the beginning of the parade.
- BANDS: Please arrive via the 400 north freeway overpass. If coming from the North on I-15, take the 500 West freeway exit and turn right (West) onto 400 North. As you go over the over pass you will be directed to the left and you will have to go back under the freeway to get to your staging location. If coming from the South on I-15, take the 500 South freeway exit, go East on 500 South and take a left onto 500 West until you reach 400 North. Go west over the over pass where you will be directed to the left and have to go back under the freeway to get to your staging location. Don't worry; volunteers will be on-site to help you to your staging area. If you have a vehicle that needs to be transported to the parade end location, a volunteer will assist with directions outside of the parade route.
